

Just after our longer newsletter went to print, our dear, sweet Tango left us. We were blessed to take care of him for nearly 14 years. Our hearts are heavy and we miss his sweet demeanor, sheltie smile, and little bumps on our leg asking if we won't just pass him some table scraps, please. Tango is now with Morgan, Coosa, and our other dear pets that have gone on. I wish God would give them to us for longer – 14 years doesn't seem like enough.
